CAMP LUTHER OF NEBRASKA

CALLED TO SERVE: 2024 SUMMER THEME 📍

This summer our theme is “Called to Serve”! We will be looking at our Caring Hearts, Helping Hands, Listening Ears, and Proclaiming Lips and how all of these things allow us to serve the Lord and serve others! Each day will take us through a Bible story with practical application that campers can easily implement into their day to day lives.

Each of us is called to serve. Whether we serve our families, our friends, or strangers, we are each called to go and share God’s love with others. It’s said that actions speak louder than words, and service is the perfect example and the perfect opportunity to show the love of our Savior. Praise be to God for giving each and every one of us different skills, talents, and abilities to be able to utilize as we go and serve!

TIERED PRICING: 📍

You choose the tier most suitable for your family, no questions asked.

All campers receive the same camp experience regardless of what families pay. We are doing this to continue to provide a high-quality and affordable Christian experience for all campers.

- Tier One (T1) is the rate we are able to offer, thanks to our donors.
- Tier Two (T2) is a partially supported rate for families that can pay more than tier 1.
- Tier Three (T3) most closely represents the actual cost of camp, including staffing, meals, facilities, and programming.

Choosing tiers two and three actively supports the true cost of the camp experience, enabling Camp Luther to direct donor gifts to support various projects and facility upgrades. In addition to these rates, additional financial assistance is available. See the final page of the brochure for more information.
