## 2024 Summer Camp Opportunities

Camp Luther is so excited to announce that our Summer 2024 registration is officially open! Our Christ-centered Bible camps are for youth entering first grade through high school. This summer campers will explore our theme 'Called to Serve' which will dive into what it means and what it looks like to serve the Lord.

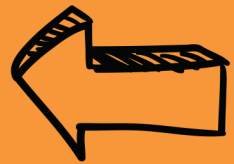

While at camp, campers will spend time growing in their faith, playing outside, building lifelong friendships, and learning new skills. Our trained staff will be with campers every step of the way as they experience God in a different place, one that allows the youth to step away from the realities of our world. Don't delay, register today!
