Why are you excited to work at Camp Luther this summer? I am excited to show others our beautiful and wonderful God.

Who is one of your favorite Bible characters? Paul is my personal favorite. Paul had a rich journey from Sinner to Saint. He represents what all Christians should be.

What is your favorite Bible verse? Romans 5:8, "But God demonstrates his own love for us in this: While we were still sinners, Christ died for us."

What is your favorite camp activity? My favorite camp activity is night games. Especially China Bibles and Robin Hood.

What items would you like to receive in a care package? Items such as soap and Laundry Detergent would be greatly appreciated.

How can people pray for you this summer? Please just wish me luck and pray for me as this is the first time working as staff at Camp Luther.
