

CAMP LUTHER OF NEBRASKA

SUMMER STAFF ADOPTION

Every year God blesses Camp Luther with college-aged summer staff that serve as Christian leaders and mentors for campers. These wonderful servants lead Bible studies, run activities, live with youth, prepare food, ensure campers are safe, assist with maintenance, and so much more.

The impact these servants have on our youth is impossible to measure. Former campers who now are bringing their children to camp often tell stories of their summer counselor and remember them by name. In most cases, these stories end with how their counselor inspired them to be active in their faith or seek a career in church work, praise be to God!

Adopting a staff member assists camp in providing a salary, training, first aid and CPR certification, housing, and various other needs for our summer staff. By completing this adoption agreement, you also agree to pray for your adopted staff member and send encouraging emails or letters throughout the summer.

Individuals, families, congregations, business or organizations that choose to adopt will receive a biography and picture of their staff member. This biography will include specific information for you to pray for your staff member and encourage them throughout the summer. Please return the bottom portion of the document to Camp Luther to complete your adoption.

Name: _____ Email: _____

Address: _____ City: _____ State: _____ Zip: _____

I/we wish to adopt: ☐ Assign a staff member ☐ Staff member name: _____

☐ Support entire summer \$5,000 ☐ Support a week \$500 ☐ Support a day \$100
